ENGINEERING SOLUTIONS

Project Overview

- Funding – 1 million dollars was allocated from the November 2008 Bond Referendum.
- The Hike and Bike Task Force identified high priority trail projects in 2004. A portion of this multi-use path was identified in that process.
- The corridor will provide connectivity to key destinations including A&M Consolidated High School, Bee Creek Park and commercial property such as Walmart.

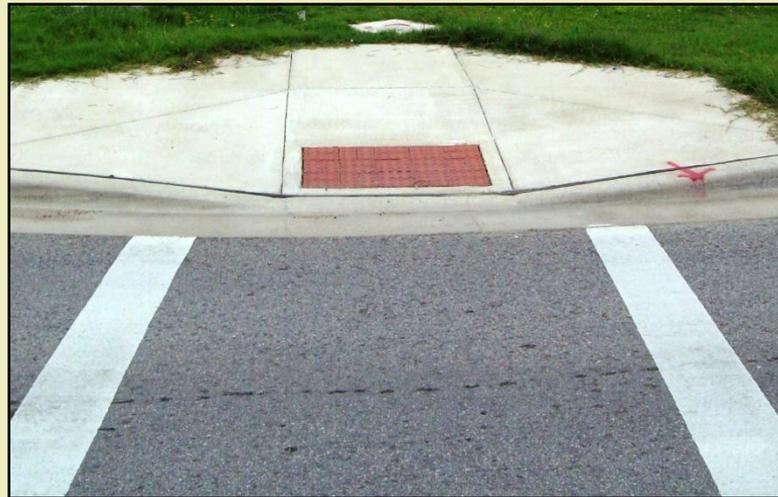

General Improvements

- 10 ft wide trail
- Drainage improvements along trail route
- Pedestrian signage and striping
- Pedestrian signalization and push-buttons at intersection crossings on the north side only

Safety Considerations

- Trail will be ADA compliant through the entirety of the route
- Safety handrail installed at Bee Creek Crossing on creek side
- Pedestrian friendly improvements at intersection crossings

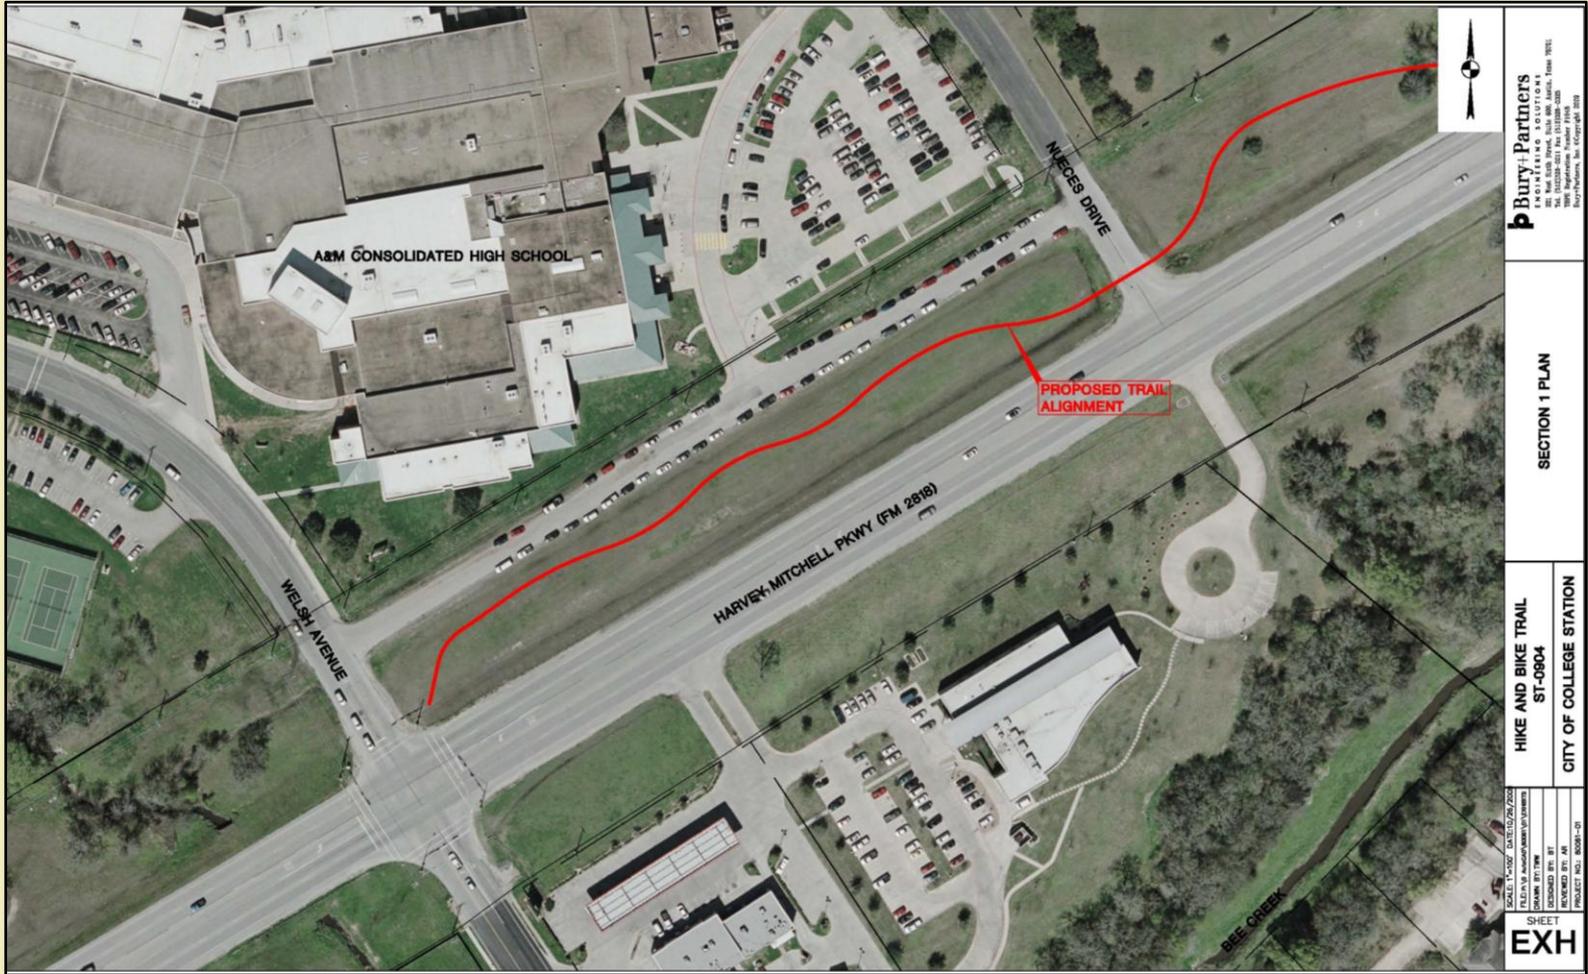

Timeline

- Anticipated Completion
 - Design: February 2010
 - Construction: September 2010
